

UNITED STATES DISTRICT COURT

EASTERN DISTRICT OF MICHIGAN

219 FEDERAL BUILDING AND U.S. COURTHOUSE

DETROIT, MICHIGAN 48226

CHAMBERS OF
AVERN COHN
DISTRICT JUDGE

Tuesday

Dear Judge Wilkin:

Your letter to
Congressmen Brooks + Fish is the
best argument I've read on
mandatory minimum sentences &
the evils associated with them.
I hope that the Congress listens.
I also hope your law mission
in its future work continues to
take an enlightened &
open particular view of the need
for some discretion in sentencing.

Best regards.

Mitch
